Re.: Work contract FTR/INBIFO

Dear Mr. Lively:

*based on the*

*with it*

*taxation  
"tax demands"*

Enclosed please find the basic contract between FTR and INBIFO which we have drawn up according to suggestions of our external auditors (C+L). ~~It is intended to limit future exposure to unexpected tax requests due to our currently undefined contract situation allowing for unlimited profit margins.~~ *not formally defined*

*is now limited*

*to*

*on*

As discussed at our meeting on 6 Feb.92, I have sent this contract to Jim Charles who passed it on to Charles Wall. Both had no objections, neither against our intent nor against the wording. I also have discussed this matter, ~~shortly~~ with Al Kassman, who would probably be the right person to sign the contract!

Provisionally, I have ~~enclosed~~ *am enclosing* 2 ~~already~~ *briefly* signed copies. *for your consideration* This, of course, should not preclude improving or completing the contract with any of your experts.] *your comments and suggestions for improvement would be appreciated*

*I would like to thank you very much for*  
I appreciate your help in this matter. ~~very much~~

Sincerely yours,

Wolf Reininghaus
